

17th Annual

State Conference

Hosted by
Pickens County
High School

June 7 – 9, 2022

500 Dragon Drive
Jasper, GA 30143

REGISTRATION

All youth and adults must be registered with either Learning for Life or the Public Safety Cadets to attend the conference. Each Post or Unit attending the conference must be a current member of the Law Enforcement Experience Association of Georgia. If they are not a current member, they will have the opportunity to join when registering for the conference.

Each Post or Unit must follow their programs' guidelines, and be current on their annual youth protection training. The attendance capacity for each state conference is dictated by facilities and space at the host venue. The attendance limit for each conference is usually achieved very quickly following the opening of the registration period; therefore, agencies are strongly encouraged to register for the conference as soon as possible. Registration for the conference is on a first-come, first-served basis; registrations will not be accepted once conference capacity has been attained.

Leaders are requested to carefully complete all conference forms (**See Forms to be Completed at the end of this packet**) as incomplete forms or inaccurate information will delay processing and may result in a Post not being registered in time to attend the conference.

If the Advisor has any questions or issues with completing the registration they should contact either Major W. Furman at 678-382-6920 (william.furman@dunwoodyga.gov), or Lt. C. Leake at (cleake@pickensgasheriff.com).

INSTRUCTIONS

1. Complete the Registration and Competition Registration form. Make sure to include if you will have any youth competing in the pistol, P/T, or drill competition. The youth DO NOT have to be part of a team to compete in the pistol, P/T, or drill event.
2. If your program would like to nominate an Explorer or Cadet for Youth President, Regional Vice-President or for State Chaplin, please complete the Nomination Form. It is important to put your Region on the Nomination Form (See last page of this packet for your region.)
3. Mail your Registration Form, Rooming List, and Nomination Form along with your registration fee to: (Make checks payable to "LEEAG")

L.E.E.A.G. State Conference
P.O. Box 467761
Atlanta, GA 31146

Or

E-Mail: william.furman@dunwoodyga.gov PDF versions are accepted and encouraged!

4. Review with your Explorers and Cadets the Code of Conduct prior to leaving for the event.
5. Adults AND youth must sign the Covenant Not To Sue and Code of Conduct. These forms are to be brought with you when you check-in.

FREQUENTLY ASKED QUESTIONS

Q: What is a Delegate and do I need to pick two?

A: The Delegates are the two youth within your post that will be allowed to vote for the State Officers. If your post does not pick two delegates, then you will not have votes for the state positions. Delegates can be changed up to and including at check in. Once your Post checks in you will not be able to change your delegates.

Q: What if I don't bring as many youth as I sent in my registration?

A: Refunds can be given if the updated registration is received at least two weeks before the start of the conference.

Q: Are there special meal options such as vegetarian?

A: Yes. Those can be noted on the registration form.

Q: How many teams are each agency allowed to bring?

A: Each agency is allowed to bring 2 competition teams. They may bring separate teams for drill and ceremony. Individual youth may compete in the physical agility and firearms competitions as well.

ACCOMODATIONS

Lodging

Lodging will be the responsibility of individual agencies. Below are some options:

Microtel Inn and Suites
171 H. Mullins Court
Jasper, GA 30143
706-299-5500

Cabin rentals – There are numerous cabin rentals and cabin rental sights in the area of Jasper, Ellijay, Big Canoe and Talking Rock.

Meals

Lunch will be provided on Wednesday and Thursday in the cafeteria.

PROCEDURES AND RULES

Adult Leadership

As previously mentioned, each program attending the conference must have, at a minimum, two adult leaders both of whom must be at least 21 years of age. Programs with coed delegations must have at least one male and one female adult leader. At least two adult leaders for each program are at all times expected to be onsite and provide oversight and supervision to the youth for which they are responsible. Adult leaders must respond to any matters involving their youth referred to them by conference staff.

All adult leaders must conduct themselves in a professional manner that is in accordance with the Law Enforcement Code of Ethics and the Conference Code of Conduct. Inappropriate or illegal behavior by an adult leader will result in immediate notification to the chief, sheriff or head of the sponsoring agency and, if required, local authorities. Any unacceptable behavior may also result in the leader being removed from the conference.

Attire, Uniform and Equipment Requirements

The dress code for the conference will vary by activity or event. Youth participating in team competition events should be in uniform and may elect to wear their duty/training (i.e., Class B) uniform for this purpose.

The Post/Unit uniform is to be worn for the opening program on Tuesday evening and the closing program on Friday morning. Adult leaders may attend the shows in their department uniform or business casual attire.

Generally speaking, youth and adult leaders may wear casual, but appropriate, attire during the conference. Youth and adult leaders are encouraged to include in their casual attire shirts or other clothing, items that identify them as being associated with their sponsoring agency, Law Enforcement Exploring, Public Safety Cadets or other law enforcement group or organization.

The conference, because of its unique nature and the dedicated adults and impressive youth who participate in the program, always draws the interest of the news media that may be on site to observe conference events, take photos/videos and conduct interviews. Participants are asked to be mindful that the media and special visitors to the conference will take notice of their dress and demeanor and to act accordingly.

Youth are not to carry any law enforcement equipment on their uniform belt, or on their person, except while participating in team competition events, training seminars and walking to and from those events. The only law enforcement equipment/accessories youth are permitted to have with them during team competitions are a flashlight,

handcuffs, holster, gloves, whistle, pen/pencil, and a notepad. If the sponsoring agency provides, or an youth has his/her own, inert pistol (i.e., Red Handle pistol, Blue Gun) to use for training or competition they may only be carried during the competitive event or seminar training.

Additionally, youth are not permitted to carry offensive or defensive weapons to include firearms, Tasers, nightsticks, batons (collapsible or otherwise), saps or sap gloves, tactical flashlights (i.e. large metal or other heavy duty material flashlights that may be used as a nightstick or baton), knives, chemical repellents or electrical shock devices.

TEAM COMPETITIONS AND SEMINARS

One of the most popular activities at every state conference is the team and individual competitive events. All competition at the conference is presented with an emphasis on participation, skill enhancement and good sportsmanship. The conference competition is intended to foster the development of individual and team growth through personal, physical and group challenges in an environment of learning and enjoyment.

This year's conference will offer several competitive team events on Wednesday. These include:

Hostage Negotiation

Traffic Stop

D.U.I. Drugs Stop

Domestic Dispute

Unknown Trouble

Active Shooter

Search Warrants

This year we will also host three individual events that your youth may register for. These events will receive their own trophies and the scores will not be counted in the overall State Champion total. These events are:

These events will compete on Tuesday from 1000 hrs to 1700 hrs

Drill & Ceremony/Uniform Competition

Fitness Challenge

Pistol Competition

The overall State Champion will be awarded based on the total score from the *team events*.

TEAM COMPETITION DESCRIPTIONS

Event: Hostage Negotiation

Scenario: The team will be judged on how it handles a crisis situation involving an individual holding one or more hostages in a designated location; how effectively it develops an initial plan, assigns team member responsibilities, and establishes contact with the suspect; the manner in which it responds to any demands made by the suspect; and its success in satisfactorily using appropriate negotiation skills to gather intelligence information and work towards the goal of an eventual resolution. Teams are not required to successfully resolve the crisis situation with surrender within the allotted time frame, but rather use negotiation skills to effectively control the situation and attempt to change the subject's behavior.

Event: Traffic Stop

Scenario: The team will be graded on their ability to deal with the potentially dangerous situation with regard to effecting the stop of the vehicle; approaching the vehicle with care; courtesy; completeness in interviewing the occupants; reacting to the unknown; and recognizing the need to call for a backup unit.

The youth in command will be advised that two members of his/her post are to be placed in a patrol vehicle and will simulate patrol functions when they encounter a vehicle for a seemingly routine traffic violation. The remaining three youth will comprise the backup unit.

Event: D.U.I. - Drugs Traffic Stops

Scenario: Teams will have to perform standardized field sobriety on a suspected drunk driver. The youth will need to be trained in identifying impairment related to narcotics consumption versus alcohol. The event will consist of a primary youth, and 1 back-up, if needed.

Event: Domestic Dispute

Scenario: Two patrol officers have been assigned to respond to an unknown domestic disturbance. Another patrol car is available as a backup. Upon arrival, the first two youth are faced with a classic domestic confrontation. Scoring will be based on how well teams handle this potentially dangerous situation. Providing the subjects are handled properly, the individuals involved in the dispute will calm down and allow the officers to reconcile the situation. If handled improperly, the situation will escalate requiring other police actions.

Event: Unknown Trouble

Scenario: Teams will be dispatched to a 911 hang up call with very little information provided. They must respond appropriately to the scene they encounter and successfully resolve the situation. The Teams will be graded on their officer safety, decision making ability, professionalism, knowledge of applicable state laws, conflict resolution, and arrest and search techniques if required.

Event: Active Shooter

Scenario: The team is the first to arrive on the scene of an active shooter. They are provided with basic information about the possible suspect and then released into the scene. They must successfully locate and eliminate the threat.

Event: Search Warrants

Scenario: Teams will be provided with a description of criminal activity and will use that information to apply for a search warrant using a standardized template. Teams should state facts sufficient to show probable cause that a crime is being committed or has been committed and which particularly described the place or person, or both, to be searched and the thing(s) to be seized (§17-5-21). The template will include all of the necessary information (other than the affidavit); and will prompt the team to correctly select the type of evidence being sought. The team will then execute such warrant in an appropriate manner (e.g.: appropriate force, scope of search, etc.).

INDIVIDUAL COMPETITION EVENT DESCRIPTIONS

Event: Physical Agility Test

All conference participants are eligible to individually compete in this event. Awards will be presented to the top three male and top three female youth.

The Police Physical Fitness Test is a series of physical fitness challenges that correlate to the ability to perform day-to-day police functions. Such challenges may include, but are not limited to, running, pull-ups, push-ups, sit-ups, and obstacle course. Each aspect of the test will be measured in terms of performance and cumulative time standards to determine score. Participation in this test will provide the youth with insight and experience into law enforcement physical fitness testing and the opportunity to measure their personal physical fitness against other participants in their respective age category.

Event: Drill Team

Law enforcement has used the close order drill to determine the readiness of their agencies. The purpose of the close order drill is to move a unit from one place to another in a standard and orderly manner. The close order drill provides simple formations from which tactical formations can be readily assumed (i.e., crowd control). The drill teaches discipline by instilling habits of precision and automatic response to orders. It also increases leadership confidence through exercise of command, by giving proper commands and overall control of members of the unit.

The Drill Team Competition will be evaluated based on the Army Drill and Ceremony FM 22-5. This manual furnishes information and describes procedures for close order drill. It encompasses detailed procedures for all drills and ceremonies executed by troop elements ranging in size from the individual to the regiment.

The minimum youth needed to compete in this competition is five (5) and the maximum number is nine (9).

The Drill Competition consists of the following three phases

A. Uniform Inspection

- 1. Unit leader forms the unit for inspection/drill**
- 2. The inspector/judge inspects the unit (i.e., Neatness, uniform serviceability, grooming, unit uniformity, etc...)**

B. Stationary Drill (i.e., left/right-face, about-face, open/closed ranks)

C. Moving Drill (i.e., march to the oblique, column movement, march to the flank)

During Stationary and Moving Drill, the judging will consist of but not limited to the following:

1. Emphasis on command presence, commands, and command voice
2. Command execution by the unit members responding to commands
3. Proper squad alignment and interval
4. Military bearing, energy and spirit

Trick Drill may be used but is extremely complex and requires extensive training. Trick drill is not described in the drill and ceremonies manual. Trick drill is only limited to the imagination of the team.

D. Flag folding – This portion of the competition will be based on Army Flag Regulations 840-10. The Flag will be draped over a mock closed casket. Teams will perform the flag folding as they would at the conclusion of a funeral, and present the flag to the judge to complete the exercise. Bonus points will be given for answering questions related to flag history and protocol.

Note: Firearms of any kind are not permitted for this event.

Event: Pistol Competition

Youth will need to have completed either the NRA Law Enforcement Explorer Qualification, or 5 hours of classroom training and have shot 100 rounds of ammunition under the direction of a certified firearms instructor. That firearms instructor will need to sign the authorization form outlining the training the youth received.

The attached form will need to be signed by a certified firearms instructor declaring that the youth has completed the required basic training.

SEMINAR TRAINING

A selection of exciting and informative law enforcement related seminars will be offered to all conference participants. Subject matter experts from various local, county, state and federal law enforcement agencies or organizations present these seminars. Pre-registration is required for attendance in the seminars. The youth will be allowed to attend three training seminars that are two and one half (2 ½) hours long on Thursday.

The adult leader will register their youth through the online portal. They will receive the instructions on how to do so after the registration packet has been received at LEEAG. The classes fill on a first served bases. Once a class's capacity has been reached, the class will be locked and the youth will have to choose an alternate.

The training seminars for this year are:

Rock climbing/ Ropes course

Officer Down Response

K-9

Non - EVOG

Leadership

Bomb Threat Response

Defensive Tactics

Clearing Difficult Rooms

Civilian Response to Active Shooter (CRASE)

Stop the Bleed

Please read the class descriptions thoroughly for any pre-requisites and required youth level. The seminars have varying levels of difficulty to suit all levels of youth.

TRAINING SEMINAR DESCRIPTIONS

Seminar: Rock Climbing/ Ropes course

Youth will have an opportunity to scale a rock climbing wall and negotiate an outdoor ropes course. This course includes both low elements, on the ground, and high elements, off the ground, where students use a harness and belay ropes.

Seminar: K-9

This course will cover the basic training and deployment of a police K-9. Youth will learn what it takes to train these dogs, the certifications they are required to have and their capabilities. Several demonstrations will also be conducted.

Seminar: Non-Emergency Vehicle Operation Course

This event is designed to emphasize the importance of efficient, safe driving when responding to a nonemergency police call. Youth will be required to negotiate a driving course that consists of a series of exercises and obstacles designed to test the youths ability to maneuver in tight quarters; parallel park; and avoid obstacles while travelling forward.

This class requires the youth to possess a valid Class D or higher license.

Seminar: Leadership

Leadership is a journey, not a destination. Many people incorrectly believe leadership is a place, a position or a title. The truth is that leadership is influence; nothing more, nothing less. You don't have to possess a position at the top of your organization to lead! Whenever your life connects with another person, you exert influence. Everything you do— at work, at home or at play—has an impact on the lives around you. No matter what your leadership goals are, you can achieve them faster, you can be more effective and the contribution you make can be longer lasting if you learn to develop your influence. This seminar will tell you how to do that.

Seminar: Bomb Threat Response

This course will cover the response standards set by FEMA and GEMA on how to respond to a bomb threat situation. Youth will learn how to assess the threat, conduct the investigation/search, proper standards for evacuation and identification of explosive devices. This is not a bomb disposal class but an awareness course on how to respond and deal with bomb threats.

Seminar: Defensive Tactics

Youth will learn some of the fundamental defensive tactics techniques that are used in everyday policing. These will include the basics of handcuffing and escorts. Youth should be in good physical condition to participate in this course.

Seminar: Clearing Difficult Rooms

Youth will learn techniques to clearing buildings of different sizes. The class will address formations, team movement, stairwells, doorways and other commonly encountered situations. This class will be held at the mock village.

Seminar: C.R.A.S.E. (Civilian Response to Active Shooter)

The Civilian Response to Active Shooter Events (CRASE) course, designed and built on the Avoid, Deny, Defend (ADD) strategy developed by ALERRT in 2004, provides strategies, guidance, and a proven plan for surviving an active shooter event. Topics include the history and prevalence of active shooter events, civilian response options, medical issues, and considerations for conducting drills.

Seminar: Stop the Bleed

Through our Stop the Bleed course, you'll gain the ability to recognize life-threatening bleeding and intervene effectively. The person next to a bleeding victim may be the one who's most likely to save him or her. Take the course and become empowered to make a life or death difference when a bleeding emergency occurs. Stop the Bleed. Save a Life!

CONFERENCE AGENDA

Tuesday, June 7, 2022		
0800 to 1100	Registration and check in	School Main Entrance
1000 to 1700	Individual Competitions (Pistol, Drill, Physical agility)	See Map

FIREARMS COMPETITION

In order to participate in the firearms competition, a certified firearms instructor must certify that youth competing in the event have received a minimum of five hours of instruction in the fundamentals of marksmanship, firearms safety, and range operations. Additionally, the course of instruction must include the supervised live firing of at least 100 rounds of ammunition for each youth.

Firearms Training Certification

Post No. _____ / PSC Unit No. _____

I am a certified firearms instructor approved by the sponsoring agency for the above captioned Post/Unit. I hereby attest, by signature below, the youth from the aforementioned agency, registered to compete in the firearms competition at the state conference have received the following training. Each youth has received a minimum of five hours of instruction in the fundamentals of marksmanship, firearms safety, and range operations. Additionally, each youth has participated in supervised live firing of at least 100 rounds of ammunition.

Adult Leader	Date	Certified Firearms Instructor	Date

CODE OF CONDUCT

This code of conduct applies to all youth and adults.

The program's leadership (adult leaders and youth leadership) will be responsible for maintaining discipline and security at all times. Adults and youth will be guided by their department's SOP and will obey all local and state laws.

Youth will set a good example by keeping themselves neatly dressed and presentable. Wearing of clothing identifying your program is encouraged.

The purchase, possession and consumption of alcoholic beverages or illegal drugs by youth or adult participants is not permitted.

Gambling in any form is not permitted.

Possession of firearms or any device that fires any type of projectile, including but not limited to airsoft, bb, paintball, (this is not to exclude items used for competition and are supplied by the host) or fireworks is prohibited by youth and adults.

Youth and adults will demonstrate respect for Pickens High School property and be personally responsible for cleanliness and any loss, breakage, or theft of property.

Neither the Pickens County School Board nor LEEAG will be responsible for the loss, breakage or theft of personal items.

Food and beverages are not permitted in the classrooms. Smoking is prohibited inside the facilities; tobacco chewing is regarded as an outside activity. Smoking by persons under the legal age will not be tolerated.

Youth will at all time show respect to all adults, instructors, and event staff.

Youth staying at local hotels will show proper respect for hotel property and personnel, and rules. Youth and adults are responsible for any damage to hotels. Hotel curfew is 23:00 unless otherwise approved by adult leaders.

All medical issues need to be reported to the adult leaders and then reported to a LEEAG staff member

Violations of this code are subject to be brought before the LEEAG Discipline Board. The Board's decision on all matters will be final and there will be no appeal.

For value received, I hereby consent to the use of my (or his/her) name, voice and/or pictures by the Law Enforcement Experience Association of Georgia, and/or any movie, news, or broadcasting companies or their licensees for broadcasting, direct exhibition, and subsidiary purposes. Such uses will not be made which would constitute a direct endorsement by said Explorer/Cadet of any product or service. I hereby agree to

indemnify the Law Enforcement Experience Association of Georgia, my local Learning for Life office, and the Public Safety Cadets officers, employees, agents, or their representatives, and any other person working under the director or engaged in the conduct of their affairs, said movie or broadcasting companies and their licensees representing any claim arising out of my or said youth's acts or statements. I have read the Code of conduct and agree to the rules and regulations therein.

This Code of Conduct is subject to amendment at any time by the LEEAG Executive Board. All youth must be aware that their adult leaders may put further restrictions on their behavior and/or activities at any time during the conference. Such restrictions will be adhered to as if incorporated into this Code of Conduct.

STATE OF GEORGIA, COUNTY OF PICKENS

COVENANT NOT TO SUE

For the consideration of my participation in the Law Enforcement Experience Association of GA (LEEAG) State Conference, I,

(PRINT YOUR NAME HERE)

enter into the following covenant:

I do hereby agree not to sue the State of Georgia, the Georgia Peace Officers Standards and Training Council, the Pickens County School Board, the Law Enforcement Experience Association of Georgia, sponsoring and member agencies and programs of the Law Enforcement Experience Association of Georgia, Learning For Life, Public Safety Cadets or any of their respective advisory boards, agents, employees, or assignees, for any reason arising from my participation in this event.

This Covenant Not To Sue shall be binding upon myself, my heirs, the administrator or executor of my estate or upon any other acting on behalf of myself or my estate. It is expressly understood that this covenant is entered into for the purpose of avoiding litigation and is a prerequisite to my participation in this event. This Covenant Not To Sue may be placed as a defense to any action or proceeding which may be brought, instituted, or taken by me, my heirs, the executor or administrator of my estate, and any others acting on my behalf.

I expressly assume the risk and responsibility, including, but not limited to, the financial responsibility, for any injury that I may receive while participating in this event. This Covenant Not To Sue shall cover, but not be limited to, acts of negligence, either by commission or omission, of any type, kind or nature.

I hereby state that I am under no disability to contract and have read and understood this Covenant Not To Sue and have entered into it voluntarily.

This Covenant Not To Sue shall remain in effect during the inclusion dates of this event, but may be canceled by written notice, properly directed to and received by the Director of the Georgia Public Safety Training Center and the Executive Director of the Law Enforcement Experience Association of Georgia.

This Covenant Not To Sue is made and entered into this the _____ day of _____, 20__.

(SIGNATURE OF PARENT OR GUARDIAN IF UNDER 18)

Youth Officer Board Duties

State Youth President:

The State Youth President shall preside over meetings, such as LEEAG State Delegate meetings, LEEAG Youth Committee meetings, LEEAG Youth Officer Board Meetings, and the LEEAG State Conference.

State Youth Vice Presidents:

The State Youth Vice Presidents shall act as a board of directors under the leadership of the State Youth President. One vice president shall be elected from each of the six regions of the Association. However, if, at the time of elections, one or more regions is not represented by any post from within that region, one or more vice presidents may be elected as “at-large” vice presidents and assigned to the region not represented.

State Youth Chaplain:

The State Youth Chaplain shall give the invocation and benediction at each LEEAG State function. This officer is a non-voting member of the Youth Officer Board
